

# Rotary Global Grants

Global grants support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. Grant sponsors form international partnerships that respond to real community needs.

## What they support

Global grants can fund these activities:

- Humanitarian projects
- Scholarships for graduate-level academic studies
- Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about a particular field or to learn more about their own

## How to use them

A key feature of global grants is partnership, between the district or club where the activity is carried out and a district or club in another country. Both sponsors must be qualified before they can submit an application.

To be successful, your application must:

- Be sustainable and include plans for long-term success after the global grant funds have been spent
- Include measurable goals
- Align with one of our areas of focus
- Respond to real community needs
- Actively involve Rotarians and community members
- Meet the eligibility requirements in the grants terms and conditions

Applications are accepted throughout the year and reviewed as they are received.

## How they're funded

The minimum budget for a global grant activity is \$30,000. The Foundation's World Fund provides a minimum of \$15,000 and maximum of \$200,000. Clubs and districts contribute District Designated Funds (DDF) and/or cash contributions that the World Fund matches. DDF is matched at 100% and cash is matched at 50%.

## Assistance Contacts

Clubs are encouraged to participate in at least one Global Grant each year. You can sponsor a grant or assist another club or District. Clubs must receive training if they are going to be the main sponsor of a grant. In these cases, individualized training is given by either:

Bruce Powell [brucepowell@cannonsales.com](mailto:brucepowell@cannonsales.com)

Jerry Summerhays [summerhaysgs@gmail.com](mailto:summerhaysgs@gmail.com)

Projects throughout the world need your help. Either Bruce or Jerry can help identify and train you to become active in grant writing.
